

Support the 3rd Argonaute Syndromes Conference

What are Argonaute Syndromes?

Argonaute syndromes are ultra-rare, genetic, neurodevelopmental conditions (AGO1/2/3 genes), with ~150 individuals diagnosed worldwide so far.

📌 Your support directly helps patient families attend and cover essential conference costs—boosting research efforts and improving care for affected children.

Your Donation Makes a Difference!

- \$20 Provide a meal, printed materials, or support conference activities.
- \$50 Help with travel costs, live streaming or interviewing an attendee.
- \$100 Sponsor a patient story poster, or a night's stay.

Thank you for being part of this mission!
